** A minimum of one hour of custodial time will be charged for periods of use when a custodian is regularly on duty												
^ Gym will not be available to any group for use which might harm finish on floors.												
^ No food or drinks are allowed on any facility except the cafeteria.												
^ Charges for unusual requests will be made on an individual basis.												
^ When facilities are used, the permit holder is responsible for cleaning and restoring the facility to its original condition immediately after use. A fee will be charged if cleaning becomes a District Responsibility.												
^ Empl as used above, designates employee fee at one and one-half times employee regular rate for service rendered after hours, and/or weekends.												
Minimum Empl charge is two hours. Facilities are not available on holidays.												
^ Sheriff's Deputies are required for activities involving more than 200 people and/or activities that are determined to be high risk.												
Revised 8/14/2008
